

Centegra Health System

- Centegra Health System provides a comprehensive and compassionate network of healthcare services to the people of greater McHenry County. As the region's only full-service healthcare system, Centegra's network has grown to include hospitals in McHenry and Woodstock, Immediate and Primary Care Centers, Health Bridge Fitness Centers and more.
- Centegra is the community's largest employer with nearly 4,000 Associates and 500 volunteers. The health system also has more than 460 physicians on its medical staff. Each of its programs and services is dedicated to enhancing excellent patient care in its diverse and growing communities.
- A report called Thomson Reuters' 100 Top Hospitals: Health Systems Quality/Efficiency Study lists Centegra Health System as one of 50 top-ranked health systems in America. The study evaluated 252 health systems—with a total of 1,720 hospitals—on measures of clinical quality and efficiency. This award is a direct reflection of Centegra's organizational improvement initiatives, patient throughput and the dedication demonstrated by Centegra's Associates and physicians.
- In 2009, Centegra Health System was selected as one of Modern Healthcare's "Best Places to Work in Healthcare." The program was created by Modern Healthcare and Best Companies Group to recognize outstanding places of employment in healthcare.
- Thousands of patients receive state-of-the-art cancer treatment from Centegra each year. Centegra's state-of-the-art cancer treatment allows physicians to treat certain tumor types that other machines could not otherwise treat. Advanced imaging services feature digital mammography, breast MRI and specialized scanning such as ultrasound, PET/CT and X-ray.
- Centegra is committed to providing the complete continuum of care throughout each of its services. The people of greater McHenry County turn to Centegra Health System for all their medical needs, from education and prevention to advanced treatment planning and care.
